

## PACE Case: Falls Assessment

After falling three times in August, participant AV reported three more falls in October, one of which resulted in a major injury for which she required surgery. The PACE Medical Director then requested a Falls Assessment from the CareKinesis clinical pharmacist. While not one specific medication on AV's profile was obviously problematic, the CareKinesis pharmacist did have medication safety recommendations for the PACE participant.

## NPA Conferences

Just last week, the NPA Annual Conference was held in San Francisco. CareKinesis and [Capstone Performance Systems](#) were delighted to host so many friends at our "California Uncorked," a wine tasting and dinner reception. And, it was lovely to see so many PACE colleagues at our educational sessions and at our booth!

We are looking forward to [NPA's Optimizing PACE Summit](#) in Florida this December!

## Learning Opportunities

### [EireneRx 101](#)
